MONT MARVIN

«Mont Marvin» got its name from the eponymous locality from where it is extracted. Quintessence of the terroir and know-how of the House, by exploring Mont Marvin you will discover an innovative triptych produced from a single grape-variety –Pinot Meunier -, from a single year and a single terroir.

100% Pinot Meunier
100% cuvee
Locality: Mont Marvin
Ageing: 5 years
Dosage: 6 g/l (Extra-brut)

Reaching the mount «Mont Marvin», is like travelling in a pale golden colour vivid with soft green hints inside slow and fine bubbles. It is like smelling aromas of white fruits, quince and honey, and vanilla. It is like tasting an elegant wine, crunchy and soft. It is like sharing a tasting between oenophiles during an aperitif, or with some river fish, or with a pie made with yellow-fleshed fruits.

<i>Il y a peu de Pinot Meunier sur la Côte des Bar. Insolite sur le terroir arbois, « Mont Marvin », d'une superficie de 2,85 hectares, fait partie des parcelles d'excellence de notre terroir. Elle apparaît à contre-courant, en accord avec l'esprit des auteurs en recherche d'innovation.</i>
